SCHOOL UNIFORM POLICY

AIM
The aim of our Dress Code is to:
• Build and maintain strong school pride and a sense of belonging
• Promote R-7 cohesion
• Help identify Karrendi Primary School students

SCHOOL UNIFORM
Students are expected to wear the uniform each day. If the uniform is unable to be worn (due to washing etc.) a written note should be provided. At these times students should be dressed in school colours.

EXEMPTION
All students will wear approved school clothing unless an exemption has been sought in writing and approved by the Principal. The only grounds on which the parents/caregiver may seek exemption from school uniform are Religion, Culture or genuine medical grounds.

SUPPORTING THE SCHOOL UNIFORM
The uniform is to be worn on all school excursions and for school photos etc. The school will notify parents in advance on days uniform is not mandatory, such as casual clothes days.

Students not wearing school uniform may be asked to change. The school will provide laundered uniform items for them to change into. These uniform items will be returned at end of day.

The school reserves the right to restrict accessibility to yard and/or other activities for students not wearing uniform, not supplying written explanation and/or refusing to change.

In each case, students will be given a uniform note to take home and need to return it signed the next day. At times the school may contact home and arrange for a uniform to be brought to school. If students are regularly not wearing uniform the school will contact parent/caregivers to discuss options.

LABELLING CLOTHING
All clothing should be clearly labelled to avoid lost property.

WEARING UNIFORM OUTSIDE OF SCHOOL
The wearing of uniform on camps and excursions will be decided on an individual basis.
Students are expected to wear uniform to and from school.
When wearing the uniform, students are representing our school and are expected to behave appropriately.
