WEEK 7

Mon 7/6-Tues 8/6
External School Review

Tues 8/6
Special Lunch

Fri 11/6
Pupil Free Day

A Message from the Principal

Welcome back to Term 2! It has been so lovely to see everyone looking relaxed and refreshed after the holidays. This term looks like it is going to be a very busy one and we have already had a number of exciting things happening.

Aboriginal Mural

This week our play area has been transformed by a mural (see below) created by artist, Scott Rathman. Scott worked with a number of our Aboriginal students and their peers to create a design for the mural that symbolically represented the things that make Karrendi Primary School such a special place. Community and togetherness were common themes. Scott has created a stunning artwork that represents these themes.

Aquatics

This Wednesday our Year 6/7 students participated in the Aquatics program. It was an extremely successful day and students report that they had a fabulous time (but were really tired afterwards). This has always been a program that our students have enjoyed and is often mentioned as a highlight of Year 7 (and Year 6 this year).

Year 6/7 Enrolments to High School

This week all Year 6/7 families should have received a letter outlining the enrolment process and providing you with a unique link to enrol your child. This enrolment process needs to be completed by **21st May**. If there are any families of Year 6/7 students who have not received their letter or who are having difficulty with the enrolment process, could you **please contact Judy Portnoff in the Front Office**.

Kind Regards,

Denise Squire
Principal

YEAR 6/7 AQUATICS

In week 2 the year 6/7s from Rooms 5 & 7 ventured down to West Lakes Aquatic Centre to take part in a day of aquatic activities. We left bright and early and we were eager to get out on the water and take part in a range of activities. When we got there we were given a safety talk so that we all knew what we needed to do if there was an emergency.

We then were split into groups and went off to our first activity. We were lucky enough to be given the opportunity to do all the activities. These included: kayaking, canoeing, sailing and surfing. They were all lots of fun.

It was a beautiful day down at West Lakes with a slight breeze that was chilly. This was helpful when we were sailing because we were able to get lots of speed up and down west lakes. When we were surfing we learnt about what to look out for when going into the ocean and how to keep ourselves safe.

By the end of the day, we were all tired but still excited about the day we just had. We were grateful for the opportunity to take part in all the aquatic activities.

STATE GERMAN COMPETITION AWARDS

Congratulations to **Kyla C** and **Tahmina S** for their results in the 2020 South Australian German Teacher's Association Poster Competition.

Kyla won second prize in the R-2 category and Tahmina won 2nd prize in the 6-7 category. This is an amazing achievement, as they were competing against students from across the entire state. Each student won a \$30 kids' gift voucher.

Upper Primary students worked on these projects in their lunchtimes.

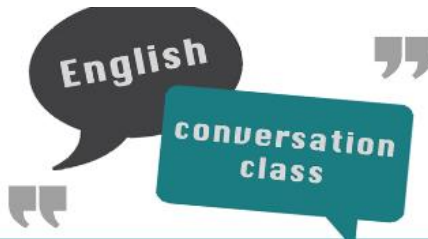

These winning entries will be on display at the annual German Teacher's conference coming up in May.

Well done, Kyla and Tahmina! We are so proud of you!

Frau Bethany Shahrooei
