### A Message from the Principal

We had a fantastic Schools Clean-Up Day on Thursday, March 1. Many thanks to Mrs Trenorden and Room 7 who organised and led a fantastic assembly focussing on this theme. After the assembly, all classes engaged in a school clean-up. It was great to see our students so motivated to care for and look after our school environment.

Kind Regards,

### Mr Perri's Positivity Post (bite-sized edition)

Congratulations to these students for being elected SRC members for 2018! This year SRC will be organising school events, helping to launch our Peer Mediator program and gathering data for student voice in the classroom. We're looking forward to a great year!
